How to Order:

1. Check my availability first by sending me the date you need a cake, the tier category you want to order, and the approximate number of servings.
2. Refer to the menu to choose cake flavor, filling (if any), and icing.

Cupcakes

Minimum 3 dozen minis per flavor and 2 dozen standards per flavor. *(Exceptions can be made if I'm already baking desired flavors for other orders.)*

Minis are approximately 1/3 the size of standard cupcakes. I usually suggest ordering 2 per person, depending on the number of flavors and type of event.

Icings can be flavored and fillings are for standard sizes only.

Decide whether you want custom designs (average \$.50 added) or just bakery toppings (such as sprinkles, chocolate shavings, candy pieces).

Homestyle Cakes

6"	~ 8 servings	\$35
7"	~ 12 servings	\$40
8"	~ 16 servings	\$45

~ = give or take a few servings

Specialty flavors and fillings add \$.50 per serving.

Indicate whether or not you want a message.

Chef's Choice

Choose your 2 colors (extras add \$15/color).

Choose a shape - round/square/sheetcake - and I'll figure out the right size and send you a quote.

\$75 includes up to 25 servings (add more for \$2/serving).

Fill me on on the event theme and I'll come up with a suitable design, piped with buttercream.
